

# SPS Open Regatta NOTICE OF RACE

## Sunday, June 14<sup>th</sup>, 2019

### Revised for date change to Sunday

Dinghy, Keelboats, All welcome. The goal of our regatta is to foster involvement, participation, and comradery among the Parry Sound Sailing Community. Fun is the most important ingredient. SPS sailing school students (CANSail 3 and up) and adults who have taken lessons with us (and have been qualified by our instructors) may sail in this regatta using our boats. All others would bring their own boats.

Please see appropriate sections below for Dinghy or Keel.

## DINGHY

10:30 am: Shore Crew Meeting SPS parking lot (dinghies only, Keels see below)

Dinghy Sailors, there will be a mandatory sign-in “on water/off water” sheet on side of SPS building (to keep track of boats on the water). Please remind each other. First race will start at 11:30 am. **Remember to pack your lunch, bring drinking water (in a reusable bottle), snacks (litter free, if possible), sunscreen and appropriate clothing for the weather.**

Number of races to be determined on the day.

There will be SPS instructors and volunteers in motorboats, helping sailors out when possible.

\*See <https://sailparrysound.on.ca/sps-regatta-management/> for Sailing Instructions closer to the date.

## KEELBOAT RACE INSTRUCTIONS

12:30pm: First Start. Monitor VHF channel 72.

Determine Your Start Time

We will be using the ever popular Chase Race format. Simply put, that means that slower boats will start the race first, according to their handicap time. The handicap is taken from a library known as PHRF (Performance Handicap Racing Formula). Attached is a list of common boat types, and their assigned PHRF ratings. If your boat is not specifically listed, pick the most similar boat to yours from the list.

Once you have your PHRF Rating, your starting time is listed below. The start is on the honour system. Use the time from your mobile phone, GPS, or other suitably calibrated chronometer.

For Ratings from	To and Including	Start Time
283	274	12:30
273	264	12:32
263	253	12:34
252	242	12:36
241	231	12:38
230	220	12:40
219	209	12:42
208	198	12:44
197	187	12:46
186	176	12:48
175	165	12:50
164	154	12:52
153	143	12:54
142	132	12:56
131	121	12:58
120	110	1:00
109	99	1:02
98	88	1:04
87	77	1:06
76	66	1:08
65	55	1:10
54	44	1:12

### The Course

The starting line for the course will be between temporary red and green buoys set off the location of Sail Parry Sound, in the vicinity of McKerrel Rock, P37. A yacht will have started when she crosses the starting line, travelling in the direction towards the first mark any time equal to, or later than, her prescribed starting time. If you do happen to cross the line early, just sail around the end of the line and cross again (We'll be watching).

The course shall consist of **two** legs:

**Leg 1** shall be the skipper's choice of:

- Gull Rock to Starboard                      - Gull Rock to Port
- Partridge Island to Port              OR - Partridge Island to Starboard
- Gull Rock to Starboard                      - Gull Rock to Port

Simply put, the first leg is a figure eight, around the two Islands, in the direction of your choosing.

**Leg 2** shall be:

- Busty Shoal Mark P 35 to Port
- Partridge Island to Port
- Gull Rock to Port

Sailors are advised to pay caution to shallow water south of Partridge Island

The finish shall be abeam of, and within 2 boat lengths of, Mark P37, McKerrel Rock, leaving the mark to Port. This course is considered to have a length of 12 Nautical Miles.

Yachts so equipped should monitor VHF channel 72 for race communications. As we will be in the vicinity of the harbour, transmissions should be made on low power (1 watt) setting

The first boat to the finish line is the winner. Please take note of the boat ahead of and behind you so that we may establish a clear decision as to the winner(s)

Flying sails (spinnaker, gennaker) are not encouraged. You may fly one if you wish, however the unofficial race committee may choose to add time to your actual finish

There is no official race committee for this event, so as such there is no provision for protests or redress. The unofficial committee will declare the winner and a results tally

## Keel Course *(Dinghies to see Sailing Instructions for Dinghy Courses, and more description at Crew Meeting that day)*

## A Bit about Racing

A number of sailors have asked about the rules of racing. Here's most everything you need to know for our race:

- A boat that is racing should not fly her ensign (flag). When she is finished racing or retired, the flag should be hoisted
- Contact between yachts is to be avoided, no matter how wrong you think the other boat may be
- A yacht on Starboard Tack (i.e. with her mainsail on the Port side of the boat) shall have right of way over a boat on Port Tack
- For Yachts on the same tack, the windward boat must keep clear
- Yachts overtaking to windward may be luffed (a defensive maneuver of being taken to weather) to the point of being head to wind. This won't win you any friends however, and it may well slow you down versus the rest of the fleet.

- If you believe you are being forced into shallow water by a boat, and you do not have room to maneuver out, you may hail the other boat, asking for room/water. The other boat must respond to a hail

## 3:30pm SPS Social and Awards

The highlight of the day may well be in reliving our respective moments of glory over a cold beverage afterwards. We will be having a social gathering back at Sail Parry Sound. Put your \$5 in container by the BBQ for dinner.

If interested in participating please visit <http://sailparrysound.on.ca/sps-regatta-management/> or email [register@sailparrysound.on.ca](mailto:register@sailparrysound.on.ca)

Again, more detailed Sailing Instructions (SIs) will also be on the above link for Open Regatta closer to the regatta date.
